

* Through careful research and tasting I have personally selected the wines on our list for your enjoyment. I believe you will find a wine that can be enjoyed by itself or, as an enhancement and compliment to your dinning selection.

Although we strive to keep our vintages current they may change as allowed by winery availability and case production. If the vintage you have selected is different than listed, your server will inform you before opening your selection.

Sincerely,
Martin J. Diehr
Cabana Club General Manager and Sommelier
